# Selected Combinations & Technical Information Low Profile Turntables

## SML-150-B

- 58" octagonal base turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Basic control panel

## SML-150-S

- 58" octagonal base turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Standard control panel

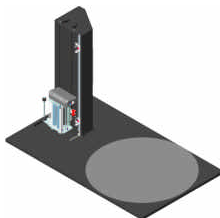

## SML-150-D

- 58" octagonal base turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Deluxe control panel

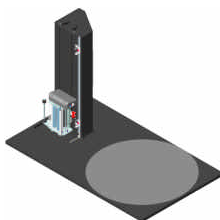

SML-150

## SML-277-B

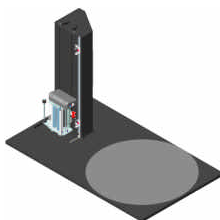

- 77" Oversized turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Basic control panel

## SML-277-S

- 77" Oversized turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Standard control panel

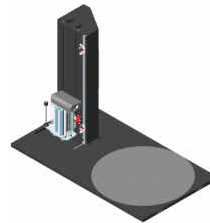

## SML-277-D

- 77" Oversized turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Deluxe control panel

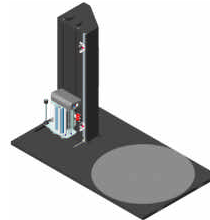

SML-277

## SML-200-B

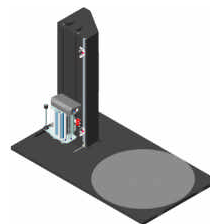

- 65" Standard turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Basic control panel

## SML-200-S

- 65" Standard turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Standard control panel

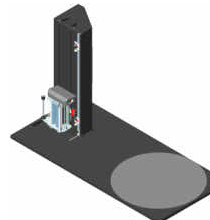

## SML-200-D

- 65" Standard turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Deluxe control panel

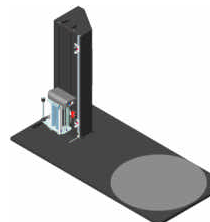

SML-200

## SML-EXT-B

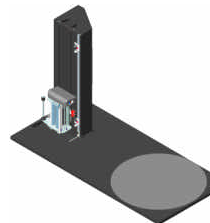

- 2 ft extension turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Basic control panel

## SML-EXT-S

- 2 ft extension turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Standard control panel

## SML-EXT-D

- 2 ft extension turntable
- 80" Wrap height
- 20" NO-THREAD® powered pre-stretch carriage
- Deluxe control panel
