

RANPAK MAKES PACKAGING AS SIMPLE AS "ABC"

PadPak Jr.®

CUSHIONING WHERE AND WHEN YOU NEED IT

- **Versatile** - cushioning pad can be used to pack most products that are shipped in a box
- **Simple** - electric feed / manual cut operation
- **Compact** - small floor-print makes it ideal for areas with limited space
- **Portable** - unit is on casters for ease of transport to multiple pack stations

The PadPak Jr.® converts multi-ply, 30 or 50 lb. kraft paper into an effective cushioning pad for fast, efficient cushioning, wrapping or blocking and bracing applications.
